POST OFFICE AND EXPRESS STATION:

FLUSHING, N. Y.

Quotations herein are for nurserymen and dealers only.

Terms cash except by agreement otherwise.

Packing will be done in bales or boxes, for which service a charge will be made to cover cost of material and labor only. After packing, free delivery will be made to our R. R. here, which is part of the Pennsylvania R. R. system. Trees packed in bulk in car without expense.

After delivery to carriers, goods travel at purchaser's risk and expense. All complaints should be made on receipt of the goods, and will then be given due consideration.

Our nurseries are inspected annually, and a State certificate accompanies each shipment.

DECIDUOUS TREES AND SHRUBS

Our Japan Maples are of much better grade than those usually offered. All are grafted and are of intense and constant color. All were transplanted Spring, 1909, and Spring, 1910, and are in best possible condition.
